

# COAAA Professional Education

October 2, 2018

9:00AM– 12:15PM Registration begins at 8:30AM

**Dementia Update 2018: Diagnosis, Treatment, And Management** Every 65 seconds someone in the United States develops Alzheimer's Disease. The numbers are staggering, including 5.7 million Americans living with this disease currently and projected 14 million by 2050. Early and accurate diagnosis is critical and could save up to \$7.9 trillion in medical and care costs. This workshop will provide updates on current diagnostic methods for dementia and understanding that not all dementia is Alzheimer's Disease. In addition to providing current information on medications and research in this area participants will also be exposed to evidenced based best practices to help in their work with consumers who have dementia.

**Speakers** *Dr. Douglas Scharre* joined The Ohio State University Wexner Medical Center faculty in the Department of Neurology in 1993. He is Director of the Division of Cognitive Neurology. He is board certified in neurology and in behavioral neurology and neuropsychiatry with special interests in cognitive assessment, degenerative dementias and dementia-related behaviors. He has published journal papers, book chapters and abstracts in the area of cognitive neurology including dementia, Alzheimer's disease, dementia with Lewy bodies, Parkinson's disease, Huntington's disease, chorea-acanthocytosis, frontal lobe disorders, inherited neurologic disorders, visual agnosia and optic aphasia. He lectures frequently on topics of dementia, Alzheimer's disease, behavioral management of dementia and other aspects of cognitive neurology.

He received his medical degree from Georgetown University School of Medicine and completed his residency in Neurology at Letterman Army Medical Center. His fellowship in Neurobehavior was done at UCLA Medical Center.

*Paula M. Taliaferro, MGS, LSW* works part time at the Central Ohio Area Agency on Aging as an Outreach & Education Specialist. As such, she has presented over 650 workshops in the last decade. Paula holds a Master's Degree in Gerontology from Scripps Gerontology Center at Miami University and a License in Social Work in the State of Ohio. She is a PAC Approved Trainer under Teepa Snow's Positive Approach Certification. She is developer of the "Aging In Ohio" course which is required of many professionals who work with older adults. In addition, she is one two developers of the "Fundamentals of Guardianship" course sponsored by the Ohio Supreme Court's Judicial College.

**Objectives** At the conclusion of this workshop, participants will be able to:

- Describe how dementia is being diagnosed in 2018
- Discuss medication use for symptom management including challenges with medications and CMS rules
- Describe what hospice care can offer with clients with dementia
- Recognize current research studies and process to enroll in studies
- Identify common behaviors/symptoms associated with dementia
- Describe evidence based best practice tips
- Identify ways to create a supportive environment both in home based and residential settings
