A MATTER OF BALANCE

MANAGING CONCERNS ABOUT FALLS

Many older adults experience concerns about falling and restrict their activities. A MATTER OF BALANCE is an award-winning program designed to manage falls and increase activity levels.

This program emphasizes practical strategies to manage falls.

YOU WILL LEARN TO:

- view falls as controllable
- set goals for increasing activity
- make changes to reduce fall risks at home
- exercise to increase strength and balance

WHO SHOULD ATTEND?

- anyone concerned about falls
- anyone interested in improving balance, flexibility and strength
- anyone who has fallen in the past
- anyone who has restricted activities because of falling concerns
