

Focus Area 1: Community Conditions	Target Date
<p>Goal statement: Individuals will have increased economic stability through financial education, housing assistance (information and financial support), and transportation resources throughout PSA6. Number of service providers will be dependent on results of bidding process and budget allocation, which will affect the number of participants served.</p>	9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants’ pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in knowledge or behavior will be managed by COAAA’s Aging and Disability Resource Network staff and service providers using established and required reporting systems.</p>	
Focus Area 1 Objectives, Strategies and Steps to Meet Your Agency’s Goal	
Objective 1.1: Improve Financial Stability	

Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>
Income supports	<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Ohioans of color <input type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency

Focus Area 1: Community Conditions		Target Date
<p>Goal statement: Individuals will have increased economic stability through financial education, housing assistance (information and financial support), and transportation resources throughout PSA6. Focus Area 1: Community Conditions		Target Date
<p>Goal statement: Individuals will have increased economic stability through financial education, housing assistance (information and financial support), and transportation resources throughout PSA6. Number of service providers will be dependent on results of bidding process and budget allocation, which will affect the number of participants served.</p>		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants’ pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in knowledge or behavior will be managed by COAAA’s Aging and Disability Resource Network staff and service providers using established and required reporting systems.</p>		
Objective 1.3: Improve Transportation Access		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Public transportation	<input type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	
Medical transportation	<input type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 2: Healthy Living		Target Date
<p>Goal statement: New program, new trainers, and innovations in program promotion will result in participation in evidence-based programs. Number of service providers will be dependent on results of bidding process and budget allocation, which will affect the number of participants served.</p>		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of participants and completion rate will be managed by COAAA’s education and outreach specialist and service providers using established and required reporting systems.</p>		
Focus Area 2 Objectives, Strategies and Steps to Meet Your Agency’s Goal		
Objective 2.1: Improve Nutrition		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Malnutrition prevention and treatments	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 2: Healthy Living		Target Date
<p>Goal statement: New program, new trainers, and innovations in program promotion will result in participation in evidence-based programs. Number of service providers will be dependent on results of bidding process and budget allocation, which will affect the number of participants served.</p>		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of participants and completion rate will be managed by COAAA’s education and outreach specialist and service providers using established and required reporting systems.</p>		
Objective 2.2: Improve Physical Activity		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Physical activity programs	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 3: Access to Care		Target Date
Goal statement: Implementation of outreach, care transitions, and caregiver tactics will lead to increased numbers of individuals assisted each year.		9/30/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of individuals served by outreach programs and care transitions will be managed by COAAA and service providers using established and required reporting systems.		
Focus Area 3 Objectives, Strategies and Steps to Meet Your Agency’s Goal		
Objective 3.1: Improve Health-care Coverage and Affordability		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Health insurance enrollment and coverage	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 3: Access to Care		Target Date
Goal statement: Implementation of outreach, care transitions, and caregiver tactics will lead to increased numbers of individuals assisted each year.		9/30/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of individuals served by outreach programs and care transitions will be managed by COAAA and service providers using established and required reporting systems.		
Objective 3.2: Improve Home and Community-based Supports		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Home- and community-based care coordination	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	
Transitions to home- and community-based care	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 3: Access to Care		Target Date
Goal statement: Implementation of outreach, care transitions, and caregiver tactics will lead to increased numbers of individuals assisted each year.		9/30/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of individuals served by outreach programs and care transitions will be managed by COAAA and service providers using established and required reporting systems.		
Objective 3.2: Improve Home and Community-based Supports		
Transitions to home- and community-based care	<input type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 3: Access to Care		Target Date
Goal statement: Implementation of outreach, care transitions, and caregiver tactics will lead to increased numbers of individuals assisted each year.		9/30/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of individuals served by outreach programs and care transitions will be managed by COAAA and service providers using established and required reporting systems.		
Objective 3.3: Improve Home Care Workforce Capacity and Caregiver Supports		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
General caregiver supports	<input checked="" type="checkbox"/> Ohioans of color <input type="checkbox"/> Ohioans with disabilities <input type="checkbox"/> Low income or educational attainment <input type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	
Caregiver supports for Alzheimer's and other forms of dementia	<input checked="" type="checkbox"/> Ohioans of color <input type="checkbox"/> Ohioans with disabilities <input type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 3: Access to Care		Target Date
<p>Goal statement: Implementation of outreach, care transitions, and caregiver tactics will lead to increased numbers of individuals assisted each year.</p>		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Statistics and reporting to show number of individuals served by outreach programs and care transitions will be managed by COAAA and service providers using established and required reporting systems.</p>		
Objective 3.3: Improve Home Care Workforce Capacity and Caregiver Supports		
<p>Income supports</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Ohioans of color <input type="checkbox"/> Ohioans with disabilities <input type="checkbox"/> Low income or educational attainment <input type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency 	

Focus Area 4: Social Connectedness		Target Date
Goal statement: New and existing programs will increase individual engagement of participants through in-person and virtual activities.		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants’ pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in attitude or behavior will be tracked by COAAA staff and service providers using established and required reporting systems.</p>		
Focus Area 4 Objectives, Strategies and Steps to Meet Your Agency’s Goal		
Objective 4.1: Improve Social Inclusion		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Community engagement and social supports	<input checked="" type="checkbox"/> Ohioans of color <input type="checkbox"/> Ohioans with disabilities <input type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	
Community engagement and social supports	<input type="checkbox"/> Ohioans of color <input type="checkbox"/> Ohioans with disabilities <input type="checkbox"/> Low income or educational attainment <input type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 5: Population Health		Target Date
Goal statement: Screening and evidence-based programs will improve health conditions of individuals.		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants’ pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in attitude or behavior will be tracked by COAAA staff and service providers using established and required reporting systems.</p>		
Focus Area 5 Objectives, Strategies and Steps to Meet Your Agency’s Goal		
Objective 5.1: Cognitive Health: Reduce Cognitive Difficulty		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Screening and care coordination	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 5: Population Health		Target Date
Goal statement: Screening and evidence-based programs will improve health conditions of individuals.		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants' pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in attitude or behavior will be tracked by COAAA staff and service providers using established and required reporting systems.</p>		
Objective 5.2: Cardiovascular Health: Reduce Hypertension		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Disease prevention, management, and care coordination	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 5: Population Health		Target Date
Goal statement: Screening and evidence-based programs will improve health conditions of individuals.		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants’ pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in attitude or behavior will be tracked by COAAA staff and service providers using established and required reporting systems.</p>		
Objective 5.3: Mental Health: Reduce Depression		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Screening and assessment	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 6: Preserving Independence		Target Date
Goal statement: Education and evidence-based programs will improve health conditions of individuals.		9/30/2026
<p>Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants’ pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in attitude or behavior will be tracked by COAAA staff and service providers using established and required reporting systems.</p>		
Focus Area 6 Objectives, Strategies and Steps to Meet Your Agency’s Goal		
Objective 6.1: Improve Chronic Pain Management		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Self-management supports	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 6: Preserving Independence		Target Date
Goal statement: Education and evidence-based programs will improve health conditions of individuals.		9/30/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? Progress will be measured by participants' pre and/or post surveys or follow-up. Statistics and reporting to measure impact or change in attitude or behavior will be tracked by COAAA staff and service providers using established and required reporting systems.		
Objective 6.2: Improve Falls Prevention		
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	
Falls prevention education and self-management	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input type="checkbox"/> Older females <input type="checkbox"/> Older males <input type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input type="checkbox"/> Older individuals with limited English proficiency	

Focus Area 7: Additional ACL Priorities	
<p>The following are additional priority areas identified by ACL that are required to be addressed in each new State Plan. AAAs are not required to set goals or report on evidence of completion for these priorities. However, ODA requests AAAs provide a brief description of any local efforts or activities supporting these priorities in their regions. This information will be used to identify trends and current local practices in order to inform the narrative of Ohio’s new State Plan.</p>	
Objective 7.1: Older Americans Act (OAA) Core Programs	
ACL Priority	Description of local efforts addressing this priority in your PSA (if applicable)
<p>Supporting and enhancing multi-disciplinary responses to elder abuse, neglect and exploitation involving adult protective services, LTC ombudsman programs, legal assistance programs, law enforcement, health care professionals, financial institutions, and other essential partners across the state (Sec. 721(b)(10)(C)(v))</p>	<p>I-Teams: COAAA representation on all eight county interdisciplinary teams.</p> <p>WEAAD: development and management of annual conference for professionals with public awareness information for public; conferences may include representatives from law enforcement, financial institutions, government agencies, and nonprofit organizations.</p>
Objective 7.2: COVID-19	
ACL Priority/Strategy	Description of local efforts addressing this priority in your PSA (if applicable)
<p>Providing trauma-informed services (Sec. 102(41))</p>	<p>Education programs on trauma-informed services are available to all PSA6 case managers, screeners, assessors, education and outreach staff as well as the community provider network.</p>
<p>Screening for suicide risk (Sec. 102(14)(G))</p>	<p>Ongoing education programs available to all PSA6 case managers, screeners, assessors, education and outreach staff as well as the community provider network.</p>
